

Elliott Quinn

Front-End Developer with 7+ Years of Experience with HTML/CSS,
Angular, and C#

Software Skills:

Angular 4-11 (Typescript)/JS
HTML 5/CSS 3
C#/.NET

SQL
Adobe Photoshop
Adobe Illustrator

Professional Experience:

Mainline (2020 - now)

Front-End Developer

- Used Angular and RxJS to grow and improve Mainline's Tournament Management Software (TMS)
- Worked with the Design team to create and implement (with .SCSS) a digital design language for the TMS

Tech used: Angular (9, 11)

Citi (2018 - 2020)

A11y Front-End Developer

- Used Angular to modernize older webapps for online.citi.com with an emphasis on web accessibility (a11y) and responsive design
- Mentored fellow developers to get up to speed with Angular and daily workflow
- Created a webpage builder using Citi's approved CMS of choice and Angular's ComponentFactory

Tech used: Angular (4, 7, 9), aXe, NVDA, Karma

WebTec (2016 - 2018)

Director of WebTec

- Created and redesigned marketing websites for multiple country clubs around the US with HTML 5/CSS 3/and vanilla JavaScript
- Maintained and updated websites for at least 20 other clubs
- Communicated and worked directly with clients to insure the best result

Tech used: HTML/CSS/JS, FlexScape FlexWEB CMS

EXIGO (2015 - 2016)

Junior Developer

- Worked directly with numerous eCommerce companies to maintain different pages and site functionality
- Used a mixture of C#/HTML/CSS/and jQuery to create and include new features and functionality as requested by various clients
- New features include things such as a pay-by-barcode feature that created a printable barcode that identified users and their orders, allowing them to pay for those orders at brick-and-mortar locations

Tech used: ASP.NET 4.5, MVC 5, jQuery, HTML/Razor, CSS/SCSS

Education:

EpicU (2015)

C# and ASP.NET coding bootcamp

University of Texas Arlington (2012)

Certification in ASP.NET
